

# Thinking Tools:

# RULE BREAKING

1. What is your problem statement or challenge?

2. List the rules of your problem statement or challenge:

Rule 1	
Rule 2	
Rule 3	
Rule 4	
Rule 5	

3. Decide which rule you are going to break. Remember to only break one at a time.

4. Write down all your ideas. You're going to need them to work on later.

*Always start your ideas with "What if..."*
